

# Awana Bible Quiz 2010

## Quizzing Objectives

- 1 To promote and encourage young people in Bible memorization and review of their Awana handbooks/manuals.
- 2 To provide a competitive atmosphere in which participants can display their Bible knowledge and gain a sense of accomplishment.
- 3 To give young people a greater love for — and working knowledge of — the Bible.
- 4 To proclaim God’s wonderful grace and salvation through Bible quiz questions. Parents and friends may then see their need of becoming a Christian and be challenged to accept Christ as Savior.
- 5 To build quiz leader-participant relationships.

## Quiz Format Overview

Awana Bible Quizzing incorporates at two of the following formats:

- 1 Multiple-choice (paddles)
- 2 Written quizzing (huddle)
- 3 Speed quizzing (buzzers)

Totaled scores from each format are used to determine the winner.

### ***Multiple-choice Quizzing (All Quizzers)***

This segment is also referred to as “Paddles”. The multiple-choice segment allows participants to perform in a low-key competitive atmosphere. Participants from each book are given an opportunity to answer a series of multiple-choice questions using the A-B-C paddles.

### **Rules for Multiple-Choice Quizzing**

- 1 Quizzers from each team by book will be asked a series of multiple-choice questions.
- 2 Questions and possible answers will be read once. There will be three answers to choose from. Quizzers have five seconds to determine their choice of answers. Questions may be read twice if the Quiz Master feels the difficulty of the question warrants it.
- 3 During the reading of the questions, quizzers must look down at their paddles while deciding their answers. Looking any other place is an automatic disqualification from that question.
- 4 When all possible answers have been given, the Quiz Master will say, “Select your answers.” When the five seconds are up, he will call, “Paddles up.”
- 5 During the five-second-answer time, quizzers select the answer they believe to be correct. Then, at the call “Paddles up,” all will raise their answers simultaneously.
- 6 After the “Paddles up” call has been made, no paddle may be exchanged for another paddle.
- 7 If a participant’s paddle is raised late, the participant is disqualified from that question.
- 8 At the “Paddles down” command, participants must lower their paddles.

- 9 Teams are awarded 10 points for each correct answer.
- 10 No points are deducted for incorrect answers.

### ***Team Written Quiz (Book I Quizzers Only)***

This format is also referred to as “Team Huddle”. The huddle quiz segment is a timed segment when participants answer a series of questions.

One or more of the following styles may be used in the written quiz: completion, matching, multiple-choice, finish the verse, and true or false.

### **Rules for Huddle Quizzing**

Two to four quizzers from each book team may participate. In this segment, a series of questions will be asked.

The team is allowed approximately 15 seconds to “get together” quietly and come up with one answer. This answer is then written and held up when called for by the Quiz Master. Each correct answer is worth 20 points. An incorrect answer will result in a 10-point deduction from the team score. A non-answer has a point value of “0.”

**Only a blank slate or everything marked out is a “non-answer.”**

### ***Speed Quizzing (Books II, III and IV Quizzers)***

In the speed quizzing segment clubbers from each book compete against other clubbers in the same book. There is a series of questions per book. All teams will be read the quiz question. The first team to respond is allowed to answer the question.

### **Rules for Speed Quizzing**

Two, three or four quizzers from each team may participate. The first quizzer to signal in is acknowledged. The Quiz Master stops at this point and the quizzer is recognized. The quizzer has 10 seconds to begin his/her answer.

1. If the first quizzer answers correctly, the value of the question is added to his/her score.
2. If the first quizzer answers incorrectly, the value of the question is deducted from his/her score.
3. If the first quizzer answers incorrectly the Quiz Master will then recognize the quizzer that signaled in second. The Quiz Master will reread the question. The quizzer has five (5) seconds to begin his/her answer and then 30 seconds to complete his/her answer.
4. If correct, the reduced value is added to his/her score.
5. If incorrect, the reduced value is deducted from his/her score.

## Quiz Questions and Answers

1. When a speed question has been answered, the Quiz Master will ask, “**Is that your final answer?**” Only when the quizzer answers “yes,” or time runs out, will the question will be ruled correct or incorrect with “That is a correct answer,” or, “I’m sorry, that is an incorrect answer.”
2. Questions asked (other than Scripture quotations) may be answered in the participant’s own words, but must be close to what the handbook/manual states. The judges determine whether anything important to the meaning has been left out or altered.
3. If an incorrect answer is given, the Quiz Master will then recognize the quizzer that signals in second. The Quiz Master may reread the question in it’s entirely, and then the quizzer has five (5) seconds to begin his/her answer.
4. If a quiz participant quickly corrects himself or herself in the process of giving their answer, the answer will be accepted.
5. Answers that contain extraneous information may be considered incorrect, even if the correct answer is included.
6. Help from the audience counts as a wrong answer, even if the answer is correct.

2. All appeals are directed to the head judge. When recognized, the coach confers privately with the head judge. After the coach voices the question, the coach must return to his or her seat while a decision is being made.
3. The head judge may consult with quiz judges before making a decision. In all cases, the decisions of the head judge are final.

## Parents Guide

Like most things in life for a child, his/her success in an endeavor (like Bible Quizzing) directly relates to the support of their parents. You can help you child prepare for Bible Quizzing in the following ways.

- 1) Encourage them to study! Each study packet comes with a suggested practice schedule and a practice schedule log for you to sign (see below). We are asking your child to study for at least 20 minutes for 5 days before we have a practice.

Parents – for each day your child studies for at least 20 minutes, please sign/initial the box.

Date	Signature

- 2) Test your children on what they have studied. The rule book explains how Bible Quizzing works and how your child will be tested. After you child has studied for the 20 minutes, take another 10 minutes to ask some questions. There are many different ways of testing your child:
  - a. Have them give all the answers to a main question (from Book I).
    - Why did God give us the Bible?
      1. So we can know who He is.
      2. So that we can know that He is the one and only true God.
      3. So we can know His words are always true
      4. So we can learn about people from the past.
  - b. Have them recite some verses.
  - c. Have them define some of the definitions provided.
  - d. Have them give answers for the SearchSite materials.
- 3) Give them some practice multiple choice questions to simulate paddle quizzing.
  1. What is the reference for the verse "Your word is truth."?
    - a. Psalm 119:74b
    - b. Psalm 100:3
    - c. John 17:17b**
  2. Jeremiah 10:10a says, "But the Lord is the \_\_\_\_\_ God; He is the living God."
    - a. one
    - b. true**
    - c. only

## Revised Book II - NKJV

- 4) Review, review, review! We will be practicing for 4 weeks before the actual Bible Quizzing Event. Each practice session will concentrate on a single Discovery/Challenge. When you are testing your child, ask a few questions about a previous section as a review.
- 5) Bring them to every practice. As was mentioned before, we will be practicing a different section every week to help the clubbers before the actual Bible Quizzing competition. The more your child practices, the better he/she will be prepared. We do not simply ask questions during practices, but we actually practice in a competition style so your child can be familiar with what happens during a competition. All clubbers will practice paddle quizzing. Book I clubbers will practice huddle quizzing and Books II through IV will practice team speed quizzing.
- 6) Pray with and for your child.
