

# Parents: Help Your T&T Clubber Be a TruthTracker!

## So, what is a TruthTracker?

A TruthTracker is a T&T clubber who stays “on track” in his or her handbook. Our handbooks have 56 total sections, so if a clubber does 2 sections per week, he will finish a book’s worth of material in a year – and that’s our goal for everyone in Awana! We have 8 TruthTracker milestones throughout the year and a child stays “on track” by completing at least 7 sections at each milestone. (**Note:** Start Zone sections do not count toward TruthTrackers.)

Below is a schedule of how a clubber can get on track and stay on track. On the milestone club nights, we will recognize the current clubbers who are “TruthTrackers” for that period. They’ll get a sticker to go on their color group tracking poster plus a small “surprise” each month. Although we are constantly reminding the clubbers and encouraging them to “stay on track”, the kids that finish books year in and year out are the kids who work WITH their parents at home during the week and come to club night prepared to say sections!

We’d love to work with you and help all our clubbers be “TruthTrackers”!
